

BMS Canvas Printing Prices

imaging Ltd

This very popular media will enhance the ambience of home and workplace alike. Utilising the latest print technology and top quality canvas, vibrant images of favourite scenes and landscapes or loved ones will be professionally displayed. Images printed onto canvas and stretched onto blocks are a clean, simple and eye-catching method of presentation. Visitors to your home or work place will be drawn to view the pictures, as if in a gallery. Canvas prints can be made from your own collection of photographs, paintings or images acquired from a library. Canvas prints can be supplied rolled, on stretchers for framing or stretched on blocks ready for hanging.
